

CORIS PROJECT

REQUEST FOR PROPOSAL CERTIFIED SEED PRODUCTION IN WEST AFRICA

IVORY COAST
BURKINA FASO
MALI

PROJECT DESCRIPTION

- ❑ CORIS - COVID 19 Response Rice Seed Project is to mitigate the negative economic and nutrition impact of COVID-19.
- ❑ The goal is to assure the availability of certified rice seed in Benin, Burkina Faso, Côte d'Ivoire, Mali and Nigeria. The project assures also benefits in post-harvest, digitizing agriculture as well as good agricultural practice.
- ❑ Through the CORIS Project, AfricaRice has been working with partners in the private sector to disseminate improved rice technologies and innovations such as quality seeds of improved varieties for the benefit of smallholders and entrepreneurs.
- ❑ In this regard, AfricaRice will like to [select certified seed enterprises](#) who will be willing to work with AfricaRice to further produce certified seeds at their facilities with technical support from AfricaRice.

OBJECTIVES

- ❑ The Purpose of this tender is to select **big certified seed enterprises** present in countries interested in the development of the rice sector – and who have adequate experience in producing quality certified seeds of rice and who wish to work with AfricaRice to further produce certified rice seeds at their facilities with technical support from AfricaRice.
- ❑ **CORIS Project provides a consultancy fee certification of up to (50€) for each ton of certified seed** produced. The identified enterprises that will produce certified seed will benefit from this depending on their respective offer. This consultancy fee will go towards supporting the certification process as well as the cleaning and drying process of seeds.
- ❑ **CORIS Project provides a consultancy fee marketing of up to (8€) for each ton of certified seed** produced.
- ❑ **CORIS Project provides the foundation seed for free.** They have to be picked up at the foundation seed production side.
- ❑ **CORIS Project provides quality bags for free.** They have to be picked up at the respective store room in the country.
